

## All Hallows' School, Aquinas Hall Science Labs & Tuckshop Refurbishment

Kane Constructions has been engaged under a Lump Sum contract to deliver the Aquinas Hall Science Labs & Tuckshop Refurbishment. This project is being delivered within the operational campus of All Hallows' School in the heart of Brisbane's CBD.

The project scope includes the demolition and refurbishment of the existing Aquinas Hall building. Upon completion, the building will boast a new tuckshop with associated kitchen facilities, and four levels of science laboratories.

The external façade of the Aquinas Hall building will be upgraded; including new glazing and perforated aluminium balustrading.

This project will be completed by March 2020.
