

Central Sydney Ambulance Station

In September 2021, NSW Ambulance awarded Kane Constructions the Sydney Ambulance Metropolitan Infrastructure Strategy Central Ambulance Station located on Parramatta Road, Forest Lodge.

The new station, part of a \$184 million investment will house ambulance operations, logistics, staff amenities and will be the home to 30 ambulance vehicles and three ambulance motorcycles serving the metropolitan Sydney communities.

Kane has delivered six Ambulance stations for NSW Health Infrastructure, with the Central Sydney Ambulance Station the largest to date.

Construction of the station will commence in October 2021 and is expected to be delivered by 2023.
