

## Gordon Institute of TAFE Culinary School

Kane Constructions was awarded the \$20M Lump Sum contract to deliver the Gordon Institute of TAFE Culinary School in May 2021.

Construction consists of both new build and refurbishment to a number of internal and external areas across The Gordon TAFE Geelong City Campus.

The project will provide hospitality teaching and support spaces including kitchens and store areas, student and staff experience spaces with works also including a café and restaurant, new seminar and meeting spaces, and significant restoration works to a number of heritage-listed buildings.

The Gordon TAFE is continuing to operate throughout the course of the project, so many of the work areas are within or bordering on live environments.

The project has been split into a number of stages which require careful planning and management by Kane, The Gordon and the consultant team to ensure minimal impact to ongoing operations.

This project will reach Practical Completion in mid-2022.
