

## Northern Hospital Multideck Staff Car Park

In August 2020, Kane Constructions was awarded the Northern Hospital Multideck Staff Car Park project under a Design & Construct contract method.

The new multideck staff car park hosts 1137 car parking bays across six levels, including the ground floor.

The new facility has full CCTV coverage, duress, car park management system, vehicle detection sensors, lift and security system monitoring.

This project reached Practical Completion in January 2022.
