

Peters Ice Cream Head Office

Design and Construct of the new \$9 million Peters Ice Cream Head Office in Mulgrave, Victoria.

The single level office building is approximately 2500m² with car parking.

The development comprises of:

- Single level office accommodation of 2,250 sqm gross floor area
- Central core comprising male and female amenities and disabled toilet
- Designed to achieve a minimum 4.5 star NABERS Energy Rating
- Provision of 78 undercroft and 52 on grade car parking for staff and visitors with direct access to reception/waiting areas
- New crossover and building access from Anzed Court
- New pedestrian paths complemented by high quality landscaping
- All spaces and internal areas compliant to the BCA
- Integrated office fit out for Peters Ice Cream

Practical Completion was achieved in April 2016.
