

QPRC Indoor Sports

This project involved a major expansion of the existing Queanbeyan Indoor Sporting Complex comprising a new building housing three multi-purpose sports courts, two squash courts as well as a redevelopment of the existing facility to provide an indoor cricket court.

The three new indoor courts can be reconfigured into one large court for representative level Futsal or other sports.

"An exceptionally exciting project for Queanbeyan and the region" according to Council Administrator, Tim Overall.

Kane Constructions was appointed under a Design & Construct contract with works completed in mid-2018.
