

Scotch College Design & Technology Cube

In December 2016, following the success of the \$32M Sir Zelman Cowen Centre for Science, Kane were engaged under a Lump Sum contract to deliver the \$7.5M Scotch College Design & Technology Cube.

The scope of works included the construction of a new four level building to house the school's new design and technology department.

The project reached Practical Completion in the last quarter of 2017.
