

St Francis Xavier Catholic Primary School, Lurnea

Kane Constructions NSW has successfully delivered the major upgrade at St Francis Xavier's Catholic Primary School, Lurnea.

Designed by JDH Architects, the redevelopment includes a new General Learning Area block with a large undercroft to allow for future expansion, larger classrooms to enhance teaching and learning, alterations and additions to the hall, new covered walkways, an extension to Block A to provide a new canteen, and improved access with a kiss and drop zone and road widening.

Delivered in collaboration with Sydney Catholic Schools, St Francis Xavier's Catholic Primary School and MostynCopper, the project has transformed the campus to better support students, staff and the wider school community.
