

St Josephs Tobruk Multi-Purpose Hall, Beenleigh

As part of the Building the Education Revolution Programme, Kane was awarded the lump sum tender to construct a new multi-purpose hall with complete with performing arts facilities, new canteen area and music rooms.

In addition a large amenities block, courtyard area and playground were built around the new hall. Designed by Bureau Proberts, the building is modern and intelligently designed and was completed to a high standard to much praise of all stake holders.
