

Parramatta National Rugby League Centre of Excellence and Community Facility

Kane Constructions proudly delivered the Parramatta Eels Centre of Excellence and Community Facility, a state-of-the-art high-performance precinct designed to support elite athletic development while strengthening community ties.

The purpose-built facility provides the Parramatta Eels with world-class training, medical, and administrative infrastructure. Key features include a 1,500-seat grandstand, elite gymnasium, aquatic recovery pools, rehabilitation centre, lecture theatre, meeting rooms, and a public café. A large balcony and terrace overlook the training fields, creating an inviting space for players, staff, and supporters.

Now fully operational, the Centre stands as the official home of the Parramatta Eels and a hub for community engagement, grassroots development, and rugby league excellence in Western Sydney.
