Corpus Christi College Maroubra

Kane Constructions successfully delivered the transformative upgrade of Corpus Christi College, Maroubra, for Sydney Catholic Schools. Designed by JDH Architects, this state-of-the-art learning space reinforced Sydney Catholic Schools' commitment to fostering collaboration and innovation in education.

The completed three-storey facility features cutting-edge classrooms, a resource centre, seminar rooms, and contemporary staff facilities. Students now benefit from a senior common area with an outdoor deck, a multipurpose hall with two sports courts, and a dedicated music, dance, and fitness centre. The upgrade also included new covered outdoor learning areas and expanded green spaces, enhancing the overall campus environment for study and recreation.

Through a proactive and solutions-driven approach, Kane delivered the project on time, ensuring the campus was ready for the new academic year. This successful completion further strengthened our valued partnership with Sydney Catholic Schools, continuing our commitment to building inspiring learning environments for future generations.
