Novotel on Collins

Client

This project involved the addition of 65 new hotel rooms and the refurbishment of 20 existing rooms at the Novotel on Collins in the heart of the Melbourne CBD. Works also entailed the refurbishment of the Australian on Collins shopping centre.

Thakral Group

A highly complex project that required the addition of seven levels of new structure on top of the existing hotel building - adjacent to a glazed atrium above a busy shopping centre.

Consultants

Perrot Lyon

Burns Bridge Sweett

The works necessitated the installation of a tower crane located at the top of a temporary steel structure on the roof of the existing hotel.

All construction deliveries were via busy Collins Street.

Location

The hotel and shopping centre remained fully operational throughout construction.

Victoria

The \$25 million project was delivered under a Design & Construct contract with works completed in July 2010. The 85 hotel rooms have been finished to exacting and luxury standards.
