**Welcome:** A sign from Kane Constructions has popped up at the new SAM site.

# SAM updater

Have you seen a new sign pop up at Victoria Park Lake?

Tucked behind the fence at the site of the new Shepparton Art Museum, you can find a sign from Kane Constructions.

The sign, located on the lake side of the site, has been put up to keep the community up to date on the project.

It also includes a little message from the

team, which reads "Hello Shepparton and the GV, thanks for welcoming us to the neighbourhood".

Last updated on August 9, the sign informs the community that this was the first pour of the concrete ground slab for the loading dock and art hill.

The concrete used is made out of recycled and sustainable materials.

# Print it big, Print it bold

Get your on track

## HELP MAKE OUR DENTAL VAN STAND OUT!

To fit with **Dental Health Week 2019** GV Health is inviting the community to help make our dental van stand out! The van is due for a freshen up and we would love some help!

Please draw anything to do with looking after your teeth, teeth in general or visiting the dentist and your design could feature on the van with your name to celebrate.

This competition is open to anyone and will be judged by our GV Health Dental staff. All entries will be displayed at the clinic.

The competition opens on Monday 5 August to coincide with the start of **Dental Health Week 2019** and all entries are to be received by Saturday 31 August. The winning design will be announced mid-September 2019.

For any questions please email [healthpromotion@gvhealth.org.au](mailto:healthpromotion@gvhealth.org.au)

Please send your entry via email, mail or drop off to the Dental Clinic at GV Health at;

Goulburn Valley Health, Graham Street  
Shepparton, 3630
