# Who We Are

We are a privately owned commercial construction company active in all sectors of the industry. With a turnover in excess of \$800 million and over 400 full time employees, we operate throughout the east coast of Australia and overseas from offices in Melbourne, Sydney, Brisbane and Canberra.

**‘Our success is recognised in the way we achieve, as much as what we achieve.’**

# People

Our greatest asset is our people.

We engage and promote those with appropriate skills, experience and technical qualifications within a 'flat and open' management structure. Graduates in building, engineering and architecture occupy project management, technical management and contract administration positions.

Careful staff selection ensures Site Managers and Foreman of the highest calibre make up the on-site teams. Teamwork, backed by effective communication systems and administration resources, ensures a highly motivated approach to the most challenging projects.
